

## **2018 Ambassadors Football *Summer Experience* Info Sheet**

### **Camps Tour Overview**

Our *Summer Experience* soccer camp tours are great outreach opportunities. This coaching tour begins in Cleveland, Ohio with a four-day training course followed by four weeks of coaching at camps located around the USA. Housing is provided by families of each host church. The training week includes times of worship, prayer, bible teaching and fellowship with people from around the world.

Summer coaches then travel as a team to various churches in the Cleveland, Ohio area or in other parts of the USA to participate in our ministry. Most camps involve a 5-day program which begins at 8 AM and ends around 3:30 PM. The evening may involve a church sponsored event, an Ambassadors activity or most often time with host families. Ambassadors works in partnership with the churches that sponsor and promote the soccer camp in their community. We have the opportunity to be an encouragement and blessing to the church and to the host families.

### **Camps Ministry Philosophy**

At every Ambassadors Soccer Camp, it is our goal to:

- Provide the highest quality of soccer instruction. Ambassadors believes in striving for excellence in the coaching and program we provide.
- Provide a positive and loving Christian environment. Each coach has the opportunity to demonstrate the love of Jesus through activities and therefore have a positive life-long impact on the lives of the children.
- Challenge and present the children with the opportunity to put their faith in Jesus Christ as their Lord and Savior. The soccer camp includes Bible times, testimonies and assemblies that clearly present the Good News.
- Have fun! We desire that the soccer camp is a positive experience for the children, moms, dads, coaches and all involved!
